

## Roustabout Crew Pusher / Radiation Safety Officer

Based in Andrews, TX, Lotus, LLC is a fully integrated environmental services company whose underlying philosophy is its commitment to providing a safe and reliable waste disposal solution for the oil and gas industry. We are currently seeking an experienced crew pusher to lead a roustabout crew in the **Permian Basin operating area**.

Typical daily activities will include:

- Providing transportation to job site for crew
- Providing training and development for roustabout
- Use of vacuum trucks to clean sediment from tanks
- Excavation of impacted dirt
- Assemble and repair oil field machinery and equipment
- Keep the site clean and clear of safety hazards, trash and debris
- Loading pipe, separators and tanks with assistance of heavy machinery
- Moving heavy equipment around the well site
- Rig and sling loads being moved by the rig's crane
- Assist in providing a safe and hazard-free work environment

Requirements:

- Demonstrated roustabout crew pusher experience
- Experience in tank cleaning and vacuum truck operation
- Must be willing to work overtime hours
- Willingness to travel overnight
- Ability to work effectively with others
- Requires a valid driver's license, CDL preferred

Lotus, LLC is a rapidly growing organization who has a stronghold on its current segment in the oil and gas industry. Environmental services is one of the steadiest segments in the industry, which means it is the most resistant to a fall in the price of oil. Apply today and make Lotus the last company you will ever work for!:

Lotus offers the best pay in the industry, as well as insurance and retirement plans.
